The Marlin repeating shotgun is a fine-appearing, beautifully-balanced gun, without any objectionable humps or bumps; no holes on top for gas to blow out through or water to get in; can't freeze up with rain, snow or sleet; its solid steel breech (not a shell of wood) permits a thoroughly symmetrical gun without sacrificing strength or safety; it is the safest breech-loading shotgun ever built.

It is Hammerless with Solid Steel Breech (inside as well as out)—Solid Top—Side Ejection—Matted Barrel (which costs \$1.00 extra on other guns)—Press Button Cartridge Release—(to remove loaded cartridges quickly from magazine without working through action) Double Extractors—Take-Down Feature—Trigger and Hammer Safety. Handles rapidly; guaranteed in shooting ability; price standard Grade "A" 12-gauge gun, \$22.50; 16-gauge, \$24.00. Send 2 stamps postage for big catalog describing all **The Marlin Firearms Co.** 42 Willow Street, New Haven, Conn.

This book is free to any shooter who will send three stamps postage to **The Marlin Firearms Co.**, 42 Willow St., New Haven, Conn.

..NOTICE..

✻ The Belmont Plan ✻

In placing the BELMONT METALLIC CASKET on the market, we select in each City of any importance the LEADING FUNERAL DIRECTOR, to whom we give the exclusive right to handle our product, he to use his judgment in the matter of publicity.

We know from his standing that this matter will be handled in strictly a professional manner and that when so placed before a thinking community a demand will be created for what we know to be the highest grade METALLIC CASKET that is manufactured.

When such a demand is created we protect the man who has created it by making it impossible for any one else to obtain the BELMONT METALLIC CASKET.

After careful consideration, we selected the firm of

Davis & Son, Yale,

whose professional standing is of the highest, believing them to be a representative firm of Funeral Directors.

We know from the service they have always given that the BELMONT METALLIC CASKET could not be presented to the community in a more professional and satisfactory way.
